

February 16, 2018

Dear Family,

Thank you for all who sent in treats and fun surprises for the party. We were so glad that Brantley's mom could help out and provide the fun sun catcher activity. Kolten's mom sent in bananas, Clementines, and cute cookie pops. Jake's mom sent special plastic Valentine cups, napkins and plates and was able to help, along with Parker's mom. To all who sent in treat bags, candy, drinks, etc., the students all were so very excited.

We enjoyed passing out the Valentines in the really cute and creative boxes you decorated at home. Thanks for taking the time to do that with your child!

Just a quick reminder that the Student Council is raising funds for Riley Hospital with Pajama Day Friday, February 23. All who send in \$1.00 will be allowed to wear pajamas at school.

As we wrap up "L" week, we have worked hard to learn about letter writing. Parents, you can expect a letter in the mail in the next few days.

Review Subtraction at home. We do a lot of hands-on, and some of the many, many, many practice sheets together. The practice ones are for you to keep at home and to go over together to make sure your child is catching on to the concepts.

Have a great evening. Enjoy the library book this weekend, and the book to keep from "Real Men Read." **And...don't forget gym shoes every Monday!!!!**

Mrs. Swingley
