

Hip! Hip! Hurray!

March 16, 2018

Dear Kindergartner,

We have attended school almost 140 days and only 4 more until Spring Vacation. You're doing an awesome job, so keep up the great work.

We took a Unit 4 Benchmark Test this week and celebrated Dr. Seuss with *Green Eggs and Ham*! What fun! Some had to close their eyes, but finally agreed the food coloring didn't change the taste.

We've been measuring the grass we planted, and some had grass 4-5 inches tall in those Grinch cups! Special thanks to Layla for bringing in the grass seed. You may have to give it a haircut when you get home.

Over Spring Break I hope you'll read a lot of books. Don't forget to visit the library where you can check out books and videos at no charge. You might like to write a few sentences in a journal every day so you can share what you do with your family over the vacation.

Next week will be short, as Friday, March 22 had been scheduled for a snow make up day that wasn't used. School will NOT be in session March 22 through the 29th.

Have a great weekend.

Mrs. Swingley

P.S. If you know of anyone with 5 year olds ready for kindergarten, Orientation is April 12th.

is coming up!!!!
