

# MARCH NOTES

March 2, 2018

Dear Kindergarten Family,

We have had a fun and busy week learning about the Letter "Gg." We wrote in our journal about words beginning with the /g/ sound, such as goat, gloves, geese, garden, gum and grapes. Ask your child to retell the story of "Goldilocks and the Three Bears" to you.

The highlight for the children was **planting grass seed** this week. We will be anxious to see it sprout in the next two weeks before Spring Vacation.

We certainly had fun reading to our stuffed animals today, for "**Read Across America**" Day! All in celebration with **Dr. Seuss's birthday**! We plan to celebrate more this month with green eggs and ham!

In math this week we enjoyed working with tangram shapes and also worked with counting forward and backwards and exploring adding and subtracting. **Graphing Fruit Loops** was extra fun, as Mrs. Swingley accidentally bought some with hidden marshmallows!

Please remember that Indiana weather changes drastically from day to day, and your child should have **appropriate clothing for outdoors**. Should the blacktop area of the playground stay ice/snow free and the temperatures are above 30, we will be going outside during recess. Warm coats are important up on that windy hill!

Keep warm and have a nice weekend. Don't forget to enjoy the new library book and return it on **Library Day (Friday)**.

*Mrs. Swingley*
