

# OCTOBER NOTES

Dear Parents,

We have turned into super readers and added: "have" and "is" to our list of **sight words**. We can read: I, a, to, am, me, the, and little, and enjoy reading in small groups at school.

Thanks to all who have been ordering **Scholastic Books**. It gives us free points to get extra books for our classroom when you order online.

**The Letter People** have started their weekly visits and Mr. M, Ms. T and Ms. A have entertained us with new songs to learn. You're welcome to send in a snack to share for any of the letters listed throughout the months. Just let me know what to expect in advance, if possible. Next week we meet Ms. S. and Ms. P. comes to visit after Fall Break.

**Special thanks to the PTO** for Planning the wonderful Fall Festival, and to all who volunteered to helped. . **I hope to see many of you there.**

**Birthday wishes to Brantley**, who will be turning six on October 14th! If you plan to send in birthday treats, plan on 22 students, and please let me know ahead of time, so I can adjust the lesson plans.

Have a wonderful **Fall Break**, October 16-20<sup>th</sup>. Some students said they are traveling and others might visit the Covered Bridge Festival in Parke County. Have your child keep a journal of your daily routines or something fun and different you do as a family that week. One of our goals is to turn in to excellent writers over the next few years.

I look forward to meeting with you at our Parent Conference October 11th. See you then!

*Mrs. Swingley*
