A Note from the Teacher

We have had such a fun week with our color words and appreciate you making an effort to send your child in the color for the day. I think the favorite activity was paiting with purple shaving cream after reading Harold and the Purple Crayon. We continue to make class books, and are enjoying every minute of kindergarten. Next week we will concentrate on the letters of the alphabet and get to visit the Book Fair. Thanks to those volunteering to work at this event.
